None.

3 Statistical processing

Not relevant for these statistics.

3.1 Source data

Data is collected on forms filled in by the municipalities.

3.2 Frequency of data collection

Yearly.

3.3 Data collection

Forms

3.4 Data validation

Under construction.

3.5 Data compilation

Under construction.

3.6 Adjustment

Not relevant for these statistics.

4 Relevance

Not relevant for these statistics.

4.1 User Needs

Users:

- Ministries, boards and agencies
- Local authorities
- Associations and trade unions
- Business advisers
- Commercial companies
- Researchers
- Teachers and students

4.2 User Satisfaction

Not relevant for these statistics.

4.3 Data completeness rate

Under construction.

5 Accuracy and reliability

Under construction.

5.1 Overall accuracy

Under construction.

Not relevant for these statistics.

5.4 Quality management

Statistics Denmark follows the recommendations on organisation and management of quality given in the Code of Practice for European Statistics (CoP) and the implementation guidelines given in the Quality Assurance Framework of the European Statistical System (QAF). A Working Group on Quality and a central quality assurance function have been established to continuously carry through control of products and processes.

5.5 Quality assurance

Statistics Denmark follows the principles in the Code of Practice for European Statistics (CoP) and uses the Quality Assurance Framework of the European Statistical System (QAF) for the implementation of the principles. This involves continuous decentralized and central control of products and processes based on documentation following international standards. The central quality assurance function reports to the Working Group on Quality. Reports include suggestions for improvement that are assessed, decided and subsequently implemented.

5.6 Quality assessment

Under construction.

5.7 Data revision - policy

Statistics Denmark revises published figures in accordance with the [Revision Policy for Statistics Denmark](#). The common procedures and principles of the Revision Policy are for some statistics supplemented by a specific revision practice.
