IDEP

IDEP can be used to report to International Trade in Services as well as to Intrastat.

Quick-guide to IDEP

You can download a Quick guide to IDEP which gives a short introduction to the program from:
www.dst.dk/uhtidep-en

Enter or import data in IDEP

You can choose to enter data manually in the form or import an Excel line or Multi Excel file.

Download guides and file examples at:

No Danish CVR number

If your company does not have a Danish CVR number, please contact us at idep@dst.dk with the subject "no Danish CVR number". Then we will contact you with an alternative reporting solution.

Digital employee signature

Digital reporting requires that you have a digital employee signature. If your company does not already have a digital employee signature, you can apply for it at www.danid.dk – it takes approximately one week from placement of order until you receive the NemID digital signature.
