

Statistic: **Business accounts statistics**
Period: 2025
Contact: Information about this report: www.dst.dk/regn-en
Questions about the content of the report: www.dst.dk/help

You must report:

- **The profit and loss statement (items no. 1-19)**, such as revenue, purchases of goods (materials), cost of subcontractors, rent and operational leasing. This information is usually found in the specifications to either the internal annual financial report or the annual tax report.
- **Balance sheet items**, which can be found in the annual financial report.
- **Investments for the year**, which can usually be found in the annual financial report, the internal annual financial report or the annual tax report.

NB: If the company is a parent company, you should only report data for the parent company – **not** consolidated financial data and not for the whole group.

Companies with a staggered financial year need to report for the financial year that has ended between 1 May, 2025 and 30 April, 2026.
