¹ Ships over 250 GT^a, aircraft, drillings rigs and production platforms, confidential consignments and goods not classified by type, are excluded from the statistics.

² In compiling index numbers for exports and the terms of trade, the export value is not adjusted for the monetary equalisation amounts received from the European Agricultural Guidance and Guarantee Fund (FEOGA).

³ From 30 June 1997 net weight for some selected goods is not compiled in connection with trade between EU countries. Therefore, the weight is not fully comprehensive.

New figures are expected to be published in February 2003.
